OFFICIAL SANCTION FROM HIGH SCHOOL

Membership in the All-State Bands is limited to students who are members of a Colorado high school band, and their school must be a member of the Colorado High School Activities Association. Also, the high school's band director must be a current member of the Colorado Music Educators Association. If the school is a member of CHSAA, but does not provide a band within its curriculum, that student may still audition for All-State Band. If the school is not a member of CHSAA (including homeschools), the student must be a regular band member at a CHSAA member high school in order to audition for and participate in the All-State Bands. The student must be a member of the school's marching or concert band in the Fall, and participate in its concert band in the Spring.

I recommend this candidate as an official representative of this high school. He/she is a member of the school's concert or marching band (if one exists), and I understand that if he/she is chosen and accepts to perform in the All-State Concert Band or Symphonic Band, that he/she must be enrolled in the school's concert band program (if one exists) in the spring. In order to utilize complete rehearsal time and to be fair to the other players, anyone arriving late to rehearsals may be demoted or dropped from the ensemble. I also understand that the chaperoning of players is the responsibility of each high school, and that each school is responsible for housing it's members.
